Friends of the Great Glen Ways

The Friends of the Great Glen Ways Project is an opportunity for route users as well as local residents and business to become involved in and contribute to the Great Glen Ways.

The Great Glen by boot, boat or bike is a fantastic part of our natural heritage and this project gives members a chance to really feel part of the routes and the amazing countryside they travel through.

As a Friend of the Great Glen Ways, you will receive access to a variety of excellent discounts throughout the Great Glen.

Red Star Discount Offers

All of the discounts will be listed in your membership pack. They will also be highlighted by a Red Star in the Accommodation and Services Guide and also in our online listings on our website www.greatglenway.com.

Discounts from participating businesses are available on accommodation, food, booking, canoe hire, merchandise, meals, maps and more.

Expect to receive between a 10% to 20% discount on your whole trip. You can use the card throughout your year of membership as many times as you want! Membership runs from 1st April the year you join to 31st March the following year.

If you have walked, cycled or travelled on any of the Great Glen Ways, this is a chance to help conserve the routes for future users. All profits from the Friends Project go directly into maintaining and upgrading the Great Glen Ways.

Already done the Glen one way? Take advantage of the discounts and return for weekend breaks and short stays and complete the Glen another way. Membership lasts for an entire year!

Keep an eye out for the Red Star!

If you have travelled on one of the Great Glen Ways, or are planning to do so, the Friends' Project gives you the chance to really feel part of this collection of amazing long distance routes. You can also take advantage of great discounts when planning your trip!
