
GREAT GLEN WAY

RANGERS

Wildlife Sighting Card

The Great Glen Way Rangers are interested in any sightings of wildlife you may have during your time in the Great Glen. The information you provide will help us to tailor our habitat management programme. This will benefit existing wildlife as well as improving the experience of future route users.

You can contact the Great Glen Way Rangers on: 01320 366 633 or by E-mail: greatglenway@highland.gov.uk

Please use the table below to note your wildlife sightings. Any type of wild plant or animal can be included. We are also interested in any non-native invasive species seen on the route. For location either give a grid reference, note the nearest settlement or mark the location on the map overleaf with a reference number.

Ref. No.	Date	Species	Location	No. seen	Comments
Example	30/10/2007	Red Squirrel	Aberchalder	1	Feeding on hazel nuts
